

County Recorders' Association of the State of California 2015 Document Reference and Indexing Manual

Are you having a problem in preparing and/or recording various legal documents associated with your real property-related transactions?

The County Recorders' Association of California has the answer.

We have developed and continue to maintain the Recorders' Document Reference and Indexing Manual. It provides the user with basic document requirements, what can or cannot be recorded, and definitions common to legal documentation and the recording process.

All Sections of the Manual have been appropriately updated and document titles have been cross-indexed to provide rapid location of specific recording and indexing information.

The Recorders' Document Reference and Indexing Manual is available electronically. For more information regarding the Document Reference and Indexing Manual, please contact Florence Shimano at (415) 473-6093 or complete and return the order form with your payment below.
